

Isle of Man TT 2017

With a history stretching back over 100 years, the Isle of Man TT (Tourist Trophy) is widely regarded as the oldest, most dangerous and most prestigious motorcycle race in the world and there is nothing on Earth quite like the Isle of Man TT Races.

No other motorcycle race is held on such a challenging track as the 37-mile plus Mountain Course with its seemingly never-ending series of bends, bumps, jumps, stone walls, manhole covers, telegraph poles and inconsistent surfaces.

TT racing captures the imagination in a way no other race can and its sheer spectacle and uniqueness ensures thousands of fans flock to the Island every May and June for their annual fix. Over this two week period, fans can revel in the Island's special mix of incredible racing and world class entertainment – and all set amongst the beautiful scenery of the Isle of Man.

Ordinary viewing of the racing alongside many parts of the course is completely free, however there are many opportunities for much enhanced experiences. We have lined up a full set of options to give you the taste of the TT from everything from the Hedgerows to the top VIP!

Isle of Man TT Saturday Pub Package

Join us for a brilliant way to spend the opening race day of the TT! We head off to a well-loved pub along the race course and drop anchor to watch the action, drink the beer and have a great lunch with fellow bikers and your guide. The package includes admittance, lunch and several "beer coupons". We also provide the transport FOC for our package customers. Final venue TBC.

Isle of Man TT "Mad Sunday" Hospitality

Join us in the superb Monster Hospitality pavilion at the paddock for a great way to spend "Mad Sunday". We will watch racing from around the world on the big TV. Many special guests will appear to talk about racing in Moto GP and the TT.

Your guide will also introduce you to special guests, and take you on a private tour of the paddock and some of the pits followed by a great lunch (drinks are not included, but available for purchase). Suite open 0900 - 1600. No children under 14 allowed in the tent. Transport included for all package customers.

Isle of Man TT Monday Hedgerow Tour

See the REAL TT! We take you to one or two of our favourite roadside viewing spots to experience the rush of the bikes like you have never felt before! You are sitting at Cronk-y-voddy with nothing but a blade of grass between you and a 1000cc superbike belting past at 170mph!! The shockwave hits you a split second later and literally takes your breath away! We take you up there, give you a radio and offer a folding chair; plus a sandwich and tea from the Tea Trolley!

The rest is for you to savour... (N.b. we are literally on a hedge! Some walking through farmyard/pastures may be required, wear sensible clothes!)

Isle of Man TT Opening Party

Join us to kick off the final portion of the legendary Isle of Man TT! On Tuesday night we kick off race week with a brilliant night of food, drink and special guests. Past guests have included Isle of Man local hero CONOR CUMMINS, ex-GP star DANNY WEBB, "Milky" QUAYLE, PHIL MCCALLEN, RYAN FARQUHAR, STEVE PARRISH and others. For 2017 we will have an equally glittering array and a special charity auction. Beer/wine/soft drinks & great buffet. Always a blast! Takes place at the Sefton Hotel.

Isle of Man TT Klaffi Hospitality

Join us to support world famous side car racing team Klaffi Racing, race winners in 2013 & 2015 (double!) with Tom and Ben Birchall. You will be a VIP guest for the day with full hospitality, lunch, and of course you will get to see all the machinery and riders up close and meet the team! The hospitality is right on the pit lane return so you will see the riders close up and slap hands with Ben & Tom as they head to their podium! They also put on a brilliant stunt show, and of course there is beer & wine on tap all day! This also comes with a main grandstand ticket so you can get a great view of the pits, board and of course podium! You of course will be welcome to join us at the conclusion of the day for a few drinks with the team! Open race day Wednesday and Friday.

Isle of Man Guided Track Tour

On Thursday before race day there is no racing, so we take advantage of this to take a private tour of the track with an expert racer guide! In 2012 and 2013 this was with Ryan Farquhar - one of the most successful road racers alive and multiple TT winner. His personal descriptions of the course and corners have to be heard to be believed... In 2014 newcomer Danny Webb gave us the perspective from fresh eyes. 2015 was the spellbinding James Hillier, who went on to take 2 podiums the following day! We stop for lunch at the legendary Cregg-ny-baa Inn). Tour starts and ends from the Sefton Hotel in Douglas.
